

DATA SCIENCE RESOURCES

Intermediate Level — More Complex & Real-World Data

Good for deeper ML, NLP, time series, clustering, anomaly detection.

Common Intermediate Datasets

- **Wine Quality Dataset (regression & classification):**
<https://www.kaggle.com/datasets/uciml/red-wine-quality-cortez-et-al-2009>
- **Credit Card Fraud Detection (anomaly detection):**
<https://www.kaggle.com/datasets/mlg-ulb/creditcardfraud>
- **NYC Taxi Trip Duration (time series/regression):**
<https://www.kaggle.com/datasets/new-york-city/nyc-taxi-trip-duration>
- **MovieLens (recommendation systems):**
<https://grouplens.org/datasets/movielens/latest/>
- **Food Recipes (text + multi-feature data):**
<https://www.kaggle.com/datasets/sarthak71/food-recipes>
- **Awesome Public Datasets (curated GitHub list):**
<https://github.com/awesomedata/awesome-public-datasets>
